

IDEATION PHASE - PROBLEM STATEMENT

PROJECT ID	PNT2022TMID03665
PROJECT NAME	REAL-TIME COMMUNICATION SYSTEM POWERED BY AI FOR SPECIALLY ABLED

REAL-TIME COMMUNICATION SYSTEM POWERED BY AI FOR SPECIALLY ABLED

I AM	I'M TRYING TO	BUT	BECAUSE	WHICH MAKES ME FEEL
DEAF	communicating with others	unable to recognize normal people speech	its hard for me to understand other people's lip sync	frustrated and regretful
MUTE	express my thoughts	I can't convey my feelings	normal people don't understand what im trying to say	more depressed
A PARENT OF PARTIAL DEAF - MUTE CHILD	teach sign language to my child	he doesnt listen to me.	it not interesting to him to learn	downhearted and discouraged
A CHILD OF DEAF MUTE PARENTS	understand what they are trying to say	sometimes im unable to understand them.	their signed action are unknown for me	sad
